Impressionism Shop

Impressionism was a radical art movement that began in the late 1800s, centered primarily around Parisian painters. Impressionists rebelled against classical subject matter and embraced modernity, desiring to create works that reflected the world in which they lived.

DADAISM

Dadaism Shop

Dadaism was a movement with explicitly political overtones – a reaction to the senseless slaughter of the trenches of WWI. It essentially declared war against war, countering the absurdity of the establishment's descent into chaos with its own kind of nonsense.
